

Below please find the BI Cognos training schedule for February 2015. If you are new to Business Intelligence reporting for HCM or Finance, or if you think you might like a refresher, start the New Year right: enroll in a BI training class. If you know someone who you think could benefit from BI reporting training, please direct them to this posting, and encourage them to enroll in a BI training class!

If you have questions about which course is right for you, please refer to the BI training curriculum guide in the BI Cognos General Training Information folder of the BI Training Materials section.

There is a job aid for using ELM to enroll in the BI training courses in the BI Cognos Job Aids folder, and you can also review each course's Learner Guide in the appropriate FIN or HCM folder of the BI Training Materials section.
