

## State of Ohio Business Intelligence Enhancement Release Notes – October 2013

State of Ohio Business Intelligence is pleased to announce the enhancement to BI Cognos for the month of October, 2013. This enhancement was requested by a user, built, tested, and validated. It consists of a new dimension table in the Procure-to-Pay data mart.

### Contents

#### 1 – FIN Enhancements

1.1 New P2P Dimension Table – *Payment Terms* ..... 1

#### 1 – FIN Enhancements

1.1 A new dimension table – *Payment Terms* – has been added to the *Contracts* subject area of the *Procure-to-Pay* data mart (see figure 1). The table contains two fields: *Payment Term Code* and *Payment Terms* (see figure 2 for an example of the type of data available for reporting in these fields).
